

Movement of Non-Commercial Goods / Private Goods

If you are travelling in a non-commercial vehicle, or carrying non-commercial goods, a goods movement reference (GMR) is not required.

Upon arrival at check-in, please present a completed copy of this form to notify the ferry staff that this movement is exempt from customs formalities.

Declaration

I have read the government guidelines concerning the declaration of personal goods, and I confirm the following:

- All carried goods are non-commercial and not subject to import / export customs declarations.
- The vehicle is privately owned and not being used commercially.
- All goods being transported are for private use only.
